If you have a **time conflict or need to be moved** to a different area, please **contact Jessica Molitor 320-333-472** and leave a message with the change. If your name is not on the list and you would like to help, please call/text and we would love to have your help. We try to make accommodations for everyone to come and help in any way possible.

We would like to thank everyone in advance for your dedication and support to make this a successful event for our Community.

****** Please come even if it looks like there are enough workers on your scheduled time to ensure coverage in all areas at all times. Thank you in advance!***
